On Thursday, March 27, 2008 at approx. 1300 hrs. Sgt. Don DeTar was parked at the rear of "Kings Fish House", 5625 Paseo Del Norte, due to recent vehicle burglaries of full-size GMC vehicles in the area,. He saw a man later identified as S1 enter a white GMC Yukon parked in the parking lot. S1 then walked to a white SUV being driven by S2 and entered that vehicle.

Sgt. DeTar conducted an investigative stop on the vehicle. While Sgt. DeTar was conducting his inquiry, S1 exited the SUV and fled west through the restaurant parking lot and onto Interstate 5. S2 fled in an unknown direction.

Sgt. DeTar pursued S1 and other Carlsbad Police responded to assist and establish a perimeter. Approx. 4 minutes later, S1 was found hiding in heavy grass along northbound Interstate 5 and taken into custody.

Further investigation revealed the white GMC Yukon belonged to Charter Jet Service (based at Palomar Airport) and had been burglarized. A laptop computer had been stolen. The laptop computer was recovered at the scene.

Carlsbad Police Detectives continued to search the area for S2. At approx. 1430 hrs. S2 was found hiding in tall grass along I-5 north of 5500 block of Paseo Del Norte. S1 and S2 were booked into the Vista Detention Facility.
